Montessori Mozarts - A growing trend in education! A mathematical advantage!

Smart parents are taking advantage of music-enriched activities. Montessori Mozarts provides group classes, private lessons, the ever popular after school Rock camp, and for our younger students - sing-along CDs ideal for use in the preschool classroom and the car-ride home at the end of the day. We offer an easy solution to busy families wishing to spend an evening at home together www.montessorimozarts.com

In a fun-filled weekly lesson of rhythm and song your child can increase her mathematical potential while letting his creative nature free. Features language development through singing, creative movement, rhythm ensembles, basic musical concepts, and integrated aural and written skills. For the older student we also follow the the Royal Conservatory of Music curriculum in piano, violin, guitar and vocal instruction.
